

Empowered Living Inc.

To whom it may concern:

Empowered Living Inc. sponsored by Irene's Community Development. is proud to be a participant in the V-Day 2018 V-Day Campaign. We have been granted the rights for a V-Day benefit production of Eve Ensler's award-winning play, "The Vagina Monologues" to raise money and awareness for local organizations that work to stop violence against women and girls. Our performance dates are **February 9th, 10th & 11th 2018.**

Last year over 5800 V-Day benefit events took place, produced by volunteer activists in 140 countries around the world, educating millions of people about the reality of violence against women and girls both locally and globally. In 2018, Empowered Living Inc. will be one of thousands of events around the world, channeling their creative energy into making a difference as part of the V-Day Campaign. It is our intention to make V-Day 2018 Empowered Living Inc. a huge success. This will be possible, in large part, through the assistance and generosity of sponsors.

Part of what makes this event so special is the opportunities it offers to businesses in local communities - to participate in this global movement, to celebrate and honor the women and girls in your life and community, to be part of a collective voice, a voice that refuses to be ignored, a voice that says NO to violence against women and girls.

We will be donating a percentage of profits from our event to Empowered Living Inc. Irene's Community Development and the V-day Organization. Empowered Living Inc will use monies received to provide free or subsidized counseling to women and girls who have been victims of violence. Since we hope to raise as much money as possible, we will need to cover the few expenses we will incur in staging such an event and still have money left over for the worthy cause. We hope that we can depend on you for financial support.

As a sponsor of V-Day 2018 Empowered Living Inc., we hope you will use your existing communication channels to get the public educated about V-Day and its mission - to stop violence against women and girls! We can provide all the documentation regarding what should be communicated about V-Day.

In exchange for your generosity, we will include your business' name and logo on all communications that go out - press releases, fliers, brochures, program, etc.

We look forward to collaborating with you on this extraordinary celebration of women and girls and making this an event that makes a difference.

We know that with your support and participation this will be one of the most spectacular nights out for Empowered Living Inc. in 2018.

Sincerely,

Ranada Dalton, Joni Morse & Athena Salisbury
